At the bottom of this page is an Idaho Report of Unclaimed Property for your business. All businesses must file this form each year with the Unclaimed Property Section of the Idaho State Tax Commission.

The unclaimed property reports and property are due November 1. Late filers are charged a penalty of 5 percent per year and interest at the rate of 12 percent per year. Penalty and interest apply to cash or the cash value of any securities from the date the property is due until it is delivered.

An unclaimed property holder who does not file a report or deliver property to the state may be charged with a misdemeanor and, if convicted, may be fined up to \$3,000.

Instructions for filling out the unclaimed property report are on the next page. If the federal Employer Identification Number (EIN) shown on the report below is incorrect, cross it out and write in the correct number. Please send the completed form to the address above.

For information about unclaimed property reporting requirements or filing an electronic report, visit www.tax.idaho.gov/unclaimed.htm.
